

Company Registration Guide

Naya account setup karne ka complete guide — Step by Step

1 Website par jaayein

Browser mein scmsdigital.com kholein aur "Book Demo" button par click karein.

2 WhatsApp par contact karein

Hamare team se WhatsApp par baat karein. Aapki company ka naam, state, aur center count batayein.

3 Account activation

Team aapka company account activate karegi aur Super Admin credentials WhatsApp par bhejegi.

4 Plan choose karein

Basic (10 staff), Standard (50 staff), ya Premium (unlimited) — apni zaroorat ke hisaab se plan choose karein.

1 Login karein

Super Admin panel par login karein: scmsdigital.com/super-admin

2 Company details bharein

Company naam, address, state, district, registered mobile number aur email add karein.

3 Logo upload karein

Company ka official logo upload karein — yeh PDF reports aur app mein dikh0ega.

4 Subscription verify karein

Dashboard par subscription status aur expiry date check karein.

1 Admin tab kholein

Super Admin dashboard mein "Admins" section mein jaayein.

2 Admin add karein

"New Admin" button par click karein. Naam, phone number aur MPIN set karein.

3 Admin ko batayein

Admin ko unka phone number aur MPIN share karein. Woh Admin Panel par login kar sakein.

4 Test login

NOTE: Account activation ke liye hamare WhatsApp support se zaroor sampark karein. Akele setup karne ki koshish na karein. Admin se verify karwayein ki woh scmsdigital.com/admin-panel par successfully login ho pa rahe hain.
