IMPORTANT SAFETY INFORMATION

BASIC SAFETY PRECAUTION:

This guide contains many important safety messages. Always read and obey all safety messages.

 This is the safety alert symbol. It alerts you to safety messages that inform you of hazard that could harm you or others or cause damage to the product. All safety messages will be preceded by the safety alert symbol and the hazard signal word WARNING or CAUTION.

 **WARNING:** Indicates a potential hazard that could cause personal injury or be fatal to life if not avoided.

 **CAUTION:** Indicates an imminently hazardous situation which, if not avoided, may result in minor or moderate injury, or cause product damage only.

All safety messages will identify a hazard, alerts you on reducing the chance of injury, and informs you what can happen if the instructions are not followed.

WARNING:

-  Keep appliance in a well ventilated area - clear of any obstruction.
-  Do not use mechanical devices or other means to accelerate the defrosting process, other than those recommended by Rockwell.
-  Do not alter the refrigeration circuit.
-  Do not use any electrical/electronic gadgets in the food storage compartment of the appliance.
-  The refrigerant and PUF insulation used in the appliance requires special disposal process. While disposing please consult with service agent or a similarly qualified person.

LIMITATIONS OF WARRANTY

Rockwell products come with a warranty from the date of purchase. Please note except manufacturing defects no other warranty will be given on any plastic, metal parts, electrical accessories like wheels, power cord, wiring, lights, gas kit, LED driver. Register your product within 30 days from the purchase invoice date on portal.

Warranty will be given to :

1. Failure of equipment due to supply voltage beyond permitted range, phase imbalance single phasing or fluctuating voltage or defects in your electrical installation & Earthing Issue due to Customer Socket, customer adjustments and failure to follow operating instructions, cleaning, maintenance, powering the appliance without Earthing and appropriately rated Fuse, MCB Etc.
2. Misuse or usage other than that the system is originally designed for.
3. Atmospheric condition or hard/contaminated water causing rusting, corrosion or scaling, excessive humidity and other extreme environmental conditions, corrosion, damage beyond repair, rusting.
4. Tempering or repair on the equipment at any time, under any circumstances whatsoever, by un-authorised personnel (third party service person)
5. Altered product or serial numbers.
6. Cosmetic damage or exterior finish.
7. Rat bite, accidents, abuse, neglect, fire, water lightning or other acts of nature.
8. Improper installation.
9. Preventive checks, routine maintenance, incorrect or improper maintenance or failure to clean or improper cleaning of the product.
10. Incorrect voltage or non-authorised electrical connections.
11. Exposure to excessive heat, moisture or dampness.
12. Exposure to abnormally corrosive conditions & improper ventilation or obstructing the window grills.
13. The company's obligation under this warranty shall be limited to repair and providing replacement of defective parts only. It is hereby clarified that after the standard warranty period, visiting charges will be applicable for all visits and the same will be borne by the customer.
14. In the extended warranty period, in case the appliance needs to be transported to the authorised service center for repair, the transportation charges from and to the place of installation shall be borne by the customer.
15. The customer shall provide a reasonable, sufficient and safe working space to access the appliances for service. The customer is liable to move away all blocking objects or move the appliance to an appropriate location with electricity / gas / water supply and drainage for testing of the appliance.
16. The warranty does not cover any consequential or resulting liability, damage or loss to property or life arising directly or indirectly as a result of appliance failure, breakdown, or accident or usage of the appliance not in accordance with the operating manual.
17. Damage to the appliance or any part(s) due to transportation or shifting or arising out of improper storage of the appliance at the customer's premises.
18. Rockwell shall not be liable for any loss, cost, expense, inconvenience or damage that may result from use or inability to use the product. Under no circumstances shall Rockwell be liable for any loss, cost, expense, inconvenience or damage exceeding the purchase price of the product.
19. Defects caused by household pets, rats, cockroaches or any other animal or insects.
20. Under no circumstances the company is liable for loss directly or indirectly for any of the following:
 - (a) Third party claims against customer for losses or damages.
 - (b) Loss or damages to records, information or date.
 - (c) Economic consequential damages including lost profits.

ROCKWELL SHALL NOT BE LIABLE FOR ANY LOSS OR REVENUE OR PROFITS, FAILURE TO REALIZE SAVINGS OR OTHER BENEFITS, OR ANY OTHER SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES CAUSED BY THE USE, MISUSE OR INABILITY TO USE THIS PRODUCT, REGARDLESS OF THE LEGAL THEORY ON WHICH THE CLAIM IS BASED, AND EVEN IF ROCKWELL HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGED.
