Field Operations Guide

SCMS Field App ek Android application hai jo center staff ke daily kaam ko transparent aur simple banata hai — attendance, leave, notices sab ek jagah.

1 App Download & First Time Login

1 App install karein

Android phone par SCMS Field App install karein — APK link admin se maangein.

2 Phone number enter karein

App kholein !' registered number !' "Send OTP" tap karein.

3 OTP verify karein

SMS par aaya 6-digit OTP enter karein.

4 MPIN set karein

Pehli baar 4-digit MPIN choose karein — yaad rakhein, baar baar kaam aayega.

5 Dashboard

Aaj ki shift status, leave balance, notifications — sab ek screen par.

TIP MPIN bhoolne par admin se sampark karein — woh reset kar denge. MPIN kisi ke saath share na karein.

2 Daily Check-In Process

1 Center par pahunchain

Physically apne assigned training center ya work location par aayein.

2 "Check In" button dabayein

App home screen par bada "Check In" button dikhega — tap karein.

3 GPS location verify hogi

App confirm karega ki aap assigned center ke 100 meter ke andar hain.

4

Live selfie kheenchein

Front camera se selfie kheenchein — face clearly dikhna chahiye, mask nahi.

5

Confirmation

Green tick = check-in successful. Live shift timer shuru ho jaata hai.

!

Location se bahar check-in nahi hoga

Agar 100m se zyada door hain toh check-in button kaam nahi karega. Yeh policy hai.

3

Check-Out Process

1

Kaam khatam hone par

App par wapas jaayein — home screen par "Check Out" button dikhega.

2

Check-Out tap karein

"Check Out" dabayein ! GPS verify ! live selfie maangegi.

3

Daily summary

Check-out ke baad aaj ka total hours aur location summary dikhta hai.

4

Leave Apply Karna

1

Leave tab kholein

Bottom menu mein "Leave" icon tap karein.

2

"Apply Leave" tap karein

Leave type chunein: Casual / Sick / Other.

3

Dates aur reason likhein

Start date, end date select karein aur leave ka reason briefly likhein.

4

Submit karein

Admin ko notification jaayegi. Approval/rejection par aapko bhi notification milegi.

TIP 1 din pehle leave apply karein jab bhi possible ho — admin ko planning mein madad milti hai.

5 Attendance Calendar

- "Calendar" tab !' poore mahine ki attendance ek nazar mein.
- Color code: Green = Present, Red = Absent, Yellow = Leave, Blue = Holiday.
- Kisi date par tap !' us din ka detail: check-in time, check-out time, GPS location.
- Agar galti dikh rahi ho — turant admin se sampark karein correction ke liye.

6 Notices Dekhna

- "Notices" tab mein admin ke saare broadcasts dikhenge — title aur message.
- Internet nahi hone par bhi SMS se notice milega — dono channels active hain.
- Important notices read karna mandatory hai — admin check kar sakta hai kisne padha.

7 Common Problems & Solutions

Check-in nahi ho raha

Location services ON karein. Internet check karein. App force-close karein aur retry karein.

MPIN bhool gaye

Admin se sampark karein — woh MPIN reset kar denge. Phone number ready rakhein.

Selfie reject ho rahi hai

Achhi roshni mein selfie kheenchein. Chehra poora frame mein aaye. Mask ya cap nahi.

App crash ho raha hai

Phone restart karein. Agar phir bhi problem — admin se naya APK link maangein.
