Field Operations Guide

Is guide mein aap seekhenge ki SCMS platform par apni company ka account kaise register karen, profile setup karen, aur pehla Admin account kaise banayein.

1 Demo Book Karna & Account Activation

1 Website par jaayein

Browser mein scmsdigital.com kholein aur "Book Demo" button par click karen.

2 WhatsApp par contact karen

Team se baat karen — company naam, state, center count batayein.

3 Credentials receive karen

Team aapka account activate karegi aur Super Admin credentials WhatsApp par bhejegi.

4 Plan choose karen

Basic, Standard ya Premium — apni zaroorat ke hisaab se plan select karen.

TIP Account activation mein 24 hours lag sakte hain weekdays mein. Team aapko WhatsApp par update degi.

2 Company Profile Setup

1 Super Admin panel login karen

URL: scmsdigital.com/super-admin — phone number aur MPIN enter karen.

2 Company details bharen

Company naam, address, state, district, registered mobile aur email add karen.

3 Logo upload karen

Official logo upload karen — yeh PDF reports aur app mein dikhega.

4 Subscription verify karen

Dashboard par subscription status aur expiry date confirm karen.

3 Pehla Admin Account Banana

1

"Admins" section mein jaayein

Super Admin dashboard !' left menu !' "Admins" tab par click karein.

2

New Admin add karein

"Add Admin" !' naam, phone, assigned center aur 4-digit MPIN set karein.

3

Credentials share karein

Admin ko unka phone number aur MPIN securely share karein.

4

Test login

Admin se verify karwayein ki scmsdigital.com/admin-panel par login ho pa rahe hain.

Security Tip

MPIN kisi ke saath share na karein. Har Admin ka alag MPIN hona chahiye. Quarterly MPIN change ki sifarish hai.
