Field Operations Guide

Is guide mein aap seekhenge ki SCMS platform par apni company ka account kaise register karein, profile setup karein, aur pehla Admin account kaise banayein.

1 Demo Book Karna & Account Activation

1 Website par jaayein

Browser mein scmsdigital.com kholein aur "Book Demo" button par click karein.

2 WhatsApp par contact karein

Hamare team se WhatsApp par baat karein. Company ka naam, state, center count batayein.

3 Credentials receive karein

Team aapka account activate karegi aur Super Admin credentials WhatsApp par bhejegi.

4 Plan choose karein

Basic, Standard ya Premium — apni zaroorat ke hisaab se plan select karein (details neeche hain).

TIP Account activation mein 24 hours lag sakte hain — weekdays mein. Team aapko WhatsApp par update degi.

2 Company Profile Setup

1 Super Admin panel login karein

URL: scmsdigital.com/super-admin — apna phone number aur MPIN enter karein.

2 Company details bharein

Company naam, address, state, district, registered mobile aur email add karein.

3 Logo upload karein

Official company logo upload karein — yeh PDF reports aur app mein dikhega.

4 Subscription verify karein

Dashboard par subscription status aur expiry date confirm karein.

3 Pehla Admin Account Banana

1

"Admins" section mein jaayein

Super Admin dashboard !' left menu !' "Admins" tab par click karein.

2

New Admin add karein

"Add Admin" button !' naam, phone number, assigned center aur 4-digit MPIN set karein.

3

Credentials share karein

Admin ko unka phone number aur MPIN share karein securely.

4

Test login

Admin se verify karwayein: scmsdigital.com/admin-panel par successfully login ho pa rahe hain.

Security Tip

MPIN kisi ke saath share na karein. Har Admin ka alag MPIN hona chahiye. Quarterly MPIN change ki sifarish hai.

4
